

The **Academy of Health Professions Educators (AHPE)** is a nationally registered, non-governmental organization that brings together passionate and visionary health professionals dedicated to transforming health professions education across India. AHPE is a vibrant community of educators, researchers, clinicians, and leaders committed to transforming health professions education across India and beyond. We believe that education is the foundation of compassionate, competent, and ethical healthcare—and we work together to shape its future.

### **Our Mission**

To foster excellence in health professions education through collaboration, scholarship, and advocacy—empowering educators and institutions to lead meaningful change.

### **What We Do**

- **Promote Educational Innovation** through workshops, conferences, and resource development
- **Support Scholarship** by curating peer-reviewed publications and research opportunities
- **Build Community** via Special Interest Groups (SIGs), mentorship programs, and collaborative networks
- **Recognize Excellence** through awards, fellowships, and leadership initiatives
- **Advocate for Change** in policy, curriculum, and professional development across disciplines

### **Our Values**

- **Inclusivity** – Welcoming diverse voices and perspectives

- **Integrity** – Upholding ethical standards in education and practice
- **Collaboration** – Fostering partnerships across institutions and disciplines
- **Innovation** – Embracing new ideas and technologies
- **Compassion** – Centering humanity in health professions education

At the **Academy of Health Professions Educators (AHPE)**, we believe that meaningful change happens when passionate educators come together. Our events and programs are designed to foster collaboration, spark new ideas, and elevate the standards of health professions education across India.

1. National Conferences -Our flagship annual event brings together educators, researchers, and leaders from diverse health disciplines—**Allopathy, Dentistry, Nursing, Physiotherapy, AYUSH, and Allied Health Sciences**. Expect keynote addresses, interactive workshops, and vibrant discussions that shape the future of health education.

2. AHPE Dialogue – Monthly Webinars -A space for thought-provoking conversations, **AHPE Dialogue** features expert-led webinars on emerging trends, best practices, and innovations in health professions education. Open to members and guests, these sessions encourage cross-disciplinary learning and active engagement.

3. Collaborations -We partner with academic institutions, and professional bodies to co-create impactful programs. Through strategic partnerships, AHPE serves as a **Knowledge Partner**, offering academic expertise, resource support, and access to a vibrant community of educators.

4. Certificate Courses & Fellowships -AHPE offers **exclusive learning opportunities** for educators seeking to deepen their expertise. Our structured courses and fellowships focus on curriculum design, assessment strategies, educational leadership, and more—aligned with global standards and local needs.

5. Special Interest Groups (SIGs) -Join a **community of practice** that aligns with your passion. Our SIGs offer focused engagement on topics like simulation-based learning, ethics in education, interprofessional teaching, and more—encouraging peer learning and collaborative exploration.

6. Awards & Recognition -We celebrate excellence in health professions education through **annual awards** that honor outstanding educators, innovators, and contributors. These recognitions inspire a culture of quality, dedication, and lifelong learning.
